**WATSON
MARLOW**

Fluid Technology Group

World Leader in Peristaltic Pumping Technology for BioPharm Applications

Filling and capping systems through Flexicon Division. Platinum Silicone and TPE Pump Tubing. Spare parts for Watson Marlow Pumps. Replacement Tubing. USP Class VI Single Use assemblies

Aquasyn LLC
Diaphragm Valves • Custom Fabrications • Disposable Valves

Diaphragm Valves & Actuators

Complete line of Sanitary ASME BPE Diaphragm Valves, Actuators and Diaphragms up to 4.00" size. Point of Use, U-Bend, Multi-Port, Divert, Tank Bottom, Sterile Access, Sample Bottle and Customized Applications. Complete Traceability, Material Certs and Documentation on Valve Body and Diaphragm Components.

AdvantaPURE
NEWAGE INDUSTRIES
Purity in Fluid Flow Systems®

Manufacturers of Sanitary Tubing, Hose & Assemblies

Specializing in Platinum-Cured Silicone Hose and Tubing. USP Class VI, FDA, 3A approved. Custom Hose Assemblies and Unique Identification Solutions. Single-Use Batch Fill & Sampling Assemblies in Class VI Silicone Tubing.

ADVANCE FITTINGS
CORP.

Advance Fittings Corp

Complete line of ASME/BPE fittings for Sanitary applications, including Auto Weld Fittings as well as Sanitary Clamp Fittings. Custom Fabrications to your designs. The only US manufacturers of Sanitary BPE Fittings that qualify as 'Domestic End Product.'

FLUID LINE
TECHNOLOGY

Custom Fabrications

316L ASME BPE material specifications for customized manifolds, fittings, filling needles, instrument tees, and thermowells. Sample and angle bleed valves. Dip tubes assemblies, jacketed fittings and small non-ASME tanks. Pump carts, drum dollies, flasks, and other

Girton

Washers for Pharmaceutical and Food Industries

Girton Washing Systems meet and exceed cGMP, BPE and FDA standards. They feature tomorrow's technology in a user friendly package. They have complete documentation packages for validation and are easily serviceable for maintenance. Featuring both COP and enclosed Cabinet washers.
